

iMig 2025
October 26 - 29, 2025
PHILADELPHIA - USA

**Fostering
Global
Collaboration**

Sunday, October 26		Monday, October 27		Tuesday, October 28		Wednesday, October 29			
7:30						7:30			
8:00		Collaborative Research Working Groups 07:30 - 08:30		Collaborative Research Working Groups 07:30 - 08:30		Collaborative Research Working Groups 07:30 - 08:30		8:00	
8:30								8:30	
9:00								9:00	
9:30		The iMig Crystal Ball – Looking Into the Future & Top 5 Rapid-Fire Poster Presentations 09:00 - 10:15		Mesothelioma Staging and Imaging: State of the Art and Looking to the Future & Top 5 Rapid-Fire Poster Presentations 09:00 - 10:15		Banging Heads and Joining Hands – a Mesothelioma Tumor Board – Reviewing Challenging Cases 09:00 - 10:00		9:30	
10:00						Coffee Break 10:00 - 10:30		10:00	
10:30		Coffee Break 10:15 - 10:45		Coffee Break 10:15 - 10:45				10:30	
11:00	PREDICT-Meso Endpoints School 11:00 - 15:00	Innovative Treatment Targets 1 10:45 - 12:00	Peritoneal Mesothelioma 10:45 - 12:15	Young Investigators Meeting: Emerging Frontiers in Mesothelioma Research: Young Investigators Symposium 10:45 -12:00		Biomarkers in Mesothelioma 10:30 - 11:45	Selecting the Best Systemic Therapy for Each Patient 10:30 - 11:45	Artificial Intelligence in Mesothelioma – Ready for the Clinic? 10:30 - 11:45	11:00
11:30		Ongoing and Emerging Clinical Trials 1 10:45 - 12:00		Poster Mixer in Exhibit Hall 12:00 - 13:30		Break in Exhibit Hall 11:45 - 12:45			11:30
12:00		Poster Mixer in Exhibit Hall 12:00 - 13:30		In vitro and In vivo Models in Mesothelioma 1 13:30 - 14:45		Epidemiology, Asbestos, and Other Factors 12:45 - 14:00		Immunologic Correlates in Mesothelioma 12:45 - 14:00	12:00
12:30		Novel Combinations and Applications of Immunotherapy 13:30 - 14:45		Ongoing and Emerging Clinical Trials 2 13:30 - 14:45		Mesothelioma Pathology and Tumor Microenvironment 12:45 - 14:00			12:30
13:00	International Thoracic Oncology Nursing Forum - iMig Workshop 12:00 - 17:00	Coffee Break 14:45 - 15:15		Coffee Break 14:45 - 15:15		Grand Finale - Key Note address by Dr. Stephen Hahn, followed by Collaborative Working Group Project Presentation 14:00- 15:00			13:00
13:30		Mesothelioma Biology, BAP1, Pathogenesis 15:15 - 16:30	Novel Approaches in Mesothelioma Imaging 15:15 - 16:30	Innovative Treatment Targets 2 15:15 - 16:30		The Role of Radiation Therapy in a Changing Landscape 15:15 - 16:30			13:30
14:00		How Can we Prevent Mesothelioma in High Risk Individuals? 15:15 - 16:30		State of the Art Clinical Trials, What's Happening and What to Expect & 16:30 - 17:30		Presidential Closing Address 15:00 - 15:15			14:00
14:30		Finding It, Following It, Preventing It – Detection and Prevention of Mesothelioma & 16:30 - 17:30							14:30
15:00	Collaborative Research Working Group 15:00 - 17:00								15:00
15:30									15:30
16:00									16:00
16:30									16:30
17:00	Around the World in 90 Minutes – International Updates on Mesothelioma Research and Treatment 17:30- 19:00								17:00
17:30									17:30
18:00									18:00
18:30									18:30
19:00	Welcome Networking Reception 19:00 - 20:00								19:00
19:30									19:30
20:00									20:00
20:30									20:30
21:00	iMig Presidents Dinner (by Invitation Only) 19:00 - 21:00								21:00
21:30									21:30
22:00									22:00
22:30									22:30
23:00	iMig Night (Conference Dinner) Ticketed Event 19:30- 22:30								23:00
